

About Shanghai PGM:

We're proud to welcome the Chinese specialist for model-based system engineering (MBSE): PGM as Silver Sponsor of our international MBSE event: CSD&M2023 (Complex Systems Design & Management 30-31 October 2023) at Beijing Kuntai Hotel! In their presentation on October 30, they will introduce their practice of MBSE method in avionics domain. And you can visit them at their booth throughout the conference.

PGM is a professional service provider dedicated to system engineering solutions, mainly providing professional products and services for MBSE (Model Based System Engineering) and RM (Requirements Management), and conducting localized adaptation and customization. The solution is industry-leading. The core team comes from the military industry such as AVIC and CETC, and graduated from top Chinese universities such as Tsinghua University, University of Electronic Science and Technology of China, and University of Science and Technology Beijing. PGM has already served customers from aviation, aerospace, shipbuilding, weapons, nuclear power, and automobiles.
